The proceeds for the event will be a percentage of the Laser Tag and Adrenaline Zone or Airpark sales only (excluding birthday party/group sales). No coupons or discounts may be used. Organization Representative: LaserCraze Fundraiser Coordinator: The Fundraiser event is a charitable donation program, not a discount. LaserCraze reserves the right to select the organizations we choose to support. **How our Fundraiser works:** Sponsor a 2-hour time frame to host your event. Fundraisers are held on Tuesday evenings from 5:00 PM to 7:00 PM and on select Tuesday, Wednesday and Thursday afternoons. Note: We don't hold fundraisers on holidays or during vacation weeks. Please ask attendees to make reservations in advance. Reservations allow us to properly credit your organization and to appropriately staff the event so that we may provide great service. Suggestions on how to make your Fundraiser a success: Announce the fundraiser at your group's next meeting and develop a flyer to distribute to your organization.. Hand out the flyers to the students before or after school. Insert a copy of your flier into your group's newsletter. Post an eye-catching sign on your bulletin board with flyers nearby. Invite a special guest to be the greeter the night of your event. Send an email reminder 48 hours before your event. Coupons and other special offers will not be accepted during the fundraising event.
